

CAMPING “LO SCOGLIO”

REGULATION SUMMARY

(This summary does not replace the complete Regulation’s contents of the Camping “Lo Scoglio” Rev.06 dated 20 December 2025 available in the Management Office)

1. GENERALITY

- a. **The Regulation of the Camping “Lo Scoglio” in Lavagna (GE) is established to ensure to everyone an organized, orderly, peaceful and nice use of the facility. It has a contractual nature between the Company and the customer, therefore, the access and stay in the facility means its complete acceptance.**
- b. **Repeated failure to observe the Regulation and any further Management provisions, leads to the customer’s expulsion from the facility if not reporting to the Public Authorities in the case of major offence.**
- c. **Parents, or legal guardians exercising parental authority, shall be jointly and severally liable for any acts committed by their minor children within Camping Lo Scoglio. They are required to always supervise them and to ensure that they maintain proper, polite, and respectful conduct towards others, under their direct responsibility.**

2. CHECK-IN AND CHECK-OUT

- a. **Guests admission must always be allowed by the Management. On arrival, they have to hand over their personal ID’s to the Management Office for Public Security purposes. Check-in shall take place no earlier than 11:00 a.m., unless otherwise agreed with Management, for camping-type pitches (tents/motorhomes/caravans), and no earlier than 3:00 p.m., unless otherwise agreed with Management, for tourist village-type pitches (bungalows).**
- b. **With reference to camping pitches, their choice and assignment is due to the Management depending on availabilities and its needs, taking in account Guests’ requests.**
- c. **Camping-type pitches must be vacated by 10:30 a.m. on the day of departure; tourist village-type pitches must be vacated by 10:00 a.m. on the day of departure.**

3. MOTOR VEHICLES

- a. **It is forbidden to enter and move around the facility with any motor vehicles, scooter included, unless expressly authorized by Management.**
- b. **Stuff movement within the facility will be done by appropriate trolleys provided by the Campsite. Please bring them back in their storage area right after the end of their usage.**
- c. **The Management makes available to its Guests appropriate unattended areas where they can park their cars and scooters. Urging to park vehicles inside marked spaces, take note that the number of available parking slots (max. 110), even though fails to meet the need of all the facility pitches, it follows the Regional Regulation. On arrival, a car pass will be provided to each Guest and it has to be displayed inside the car during the parking period in the above-mentioned unattended areas. The car pass possession gives the possibility to park in the unattended areas, limited to the availability of parking spots.**

4. DOGS AND PETS

- a. **Guests’ dogs have to be kept on leash when inside the facility and must be lead outside the camping site and the parking lot for their physiological needs. Any possible solid dejection inside the facility must be collected with bags while any possible liquid dejections must be washed out with plenty of water.**
- b. **Dogs kept at the pitch must be restrained on a leash of such length as to prevent them from leaving the boundaries of the pitch itself. Dogs may be allowed to move freely only if the accommodation unit is equipped with a fenced area in accordance with the standards defined by Management.**

- c. Dogs may not be washed within the facility. During periods of high temperatures, it is permitted to cool pets exclusively at the camper waste disposal grate located in the upper and main area of the Camping, taking particular care not to cause disturbance to other guests.

5. FIRES

It is forbidden to light fires. It is forbidden to use charcoal or wood-burning barbecue, that means any kind of open flame cooking tools. The Management allows the use of little mobile gas barbecues, that means flame controlled commercial cooking tools, built in accordance with the current legislation. Barbecues must be constantly supervised during use and are forbidden on particularly windy days.

6. RECEPTION AND REGISTER

The daily reception opening hours are displayed at the entrance of the reception area. Payment for the stay may be made by Visa, Maestro, and Mastercard credit/debit cards.

7. CLEANLINESS

- a. Guests have to separate waste according to the booklet available in the Management Office, and they have to dispose it in the appropriate containers placed outside the campsite.
- b. It is forbidden to dump garbage and bottles in the waste baskets located in restrooms, Bar dehors, and Barbecue area.
- c. We invite our kind Guests to leave toilets and sinks clean. It is not allowed to access toilets with pets and during their cleanings.

8. LAUNDRY

A washing machine (coin-operated) and a tumble dryer (token-operated) are available for guests. Tokens and, if required, a dose of detergent may be collected at the bar/market.

9. DOCTOR – INFECTIOUS DISEASES

The phone numbers of medical and emergency services are displayed on the Info point notice board near to the Reception. Serious highly contagious infectious diseases must be reported to Management.

10. ITEMS LIABILITY

- a. The Camping Management is not liable for stolen valuables not in advance delivered to the Management, as each Guest has to take care of his own items.
- b. The Management is not liable also for damages resulting from force majeure events and from natural events, such as those atmospheric, natural disasters, epidemics, diseases, fallen trees or branches or whatever relative to plants' nature, wind gusts.
The Management is not liable for theft or for any kind of damage, also due to third parties, to cars, motor vehicles and anything else admitted in the unattended parking area and in the whole facility area.

11. SILENCE AND ORDER INSIDE THE CAMPSITE – WATCHMEN AUTHORITY

- a. In the time intervals 2:00 p.m./3:00 p.m. and 12:00 a.m./7:30 a.m., it is forbidden any kind of noise which could bother our Guests, included speaking aloud. The use of radio, television, and musical instruments is allowed with extreme moderation and, of course, in full compliance with silence time. Except for particular needs evaluated by the Management on a case-by-case basis, the check-in can be from 9:00 a.m. to 8:00 p.m.
- b. The watchmen appointed by the Management is required to enforce the Regulation against anyone. Each customer in the act of accepting hospitality in the Campsite, also accept contractually to submit himself to the authority of such personnel, who is in any case obliged to always respect the laws of the Italian Republic and the principles commonly accepted by our courtesy culture and good manners.

- c. The entertainment activities organized by the Management could extend beyond 24 a.m.

12. FARES

The fares are day-to-day (per night), whatever the check-in is. If the stay of the pitch holder's Guest exceeds 3 (three) hours, it must be paid the equivalent daily fare required by the Management and shown in the price table at the Reception. In case of Guests' overnight, the holder of the pitch must preventively advise the Reception in order to allow the communication of Guests data to the Police authority.

13. ELECTRICAL CONNECTION AND OTHER INFO

- a. It is allowed the electrical connection in the pitches to the switchboards of the Campsite which provide single-phase electricity, 220 Volt with power limited to 2A for tent pitches and limited to 6A for motorhome/caravan pitches, by using industrial plugs and flexible wires with ground conductor, such as H07 RN-F or equivalent, with conductors cross-sections of 2,5 mm² and a maximum length of 25 m.
- b. It is forbidden to connect to the switchboards with more than one plug per pitch, open its panels, tamper or modify the switchboards. This means the immediate expulsion from the Campsite.
- c. It is compulsory to keep an emergency battery lamp in case of power outage.
- d. The water supplied at Campsite is potable and comes from the municipal water network. The use of water for improper purposes is prohibited. Water may be used solely for primary purposes (cooking, personal hygiene, washing dishes and clothes). Guests are kindly requested to take particular care and avoid any waste.
- e. It is forbidden to keep in the pitch gas liquid cylinders in a quantity exceeding 25 kg.

14. SAFETY INSTRUCTIONS

- a) Each Guest is required to check in the facility plans exposed at the Management Office and along the main access and exodus routes, the location of his pitch, the escape routes, the fire-fighting means available, the collection points as well as the behaviours to be kept in case of emergency.
- b) Near his own pitch each Guest is required to leave cleared of cumbersome materials the main access routes for emergency vehicles and the escape routes.
- c) In case of emergency advise the Management, or the night watchman, through the intercom stations or mobile phone, stating the nature of the emergency and the area concerned.

Rev.07 dated 20 December 2025
